

Southmead Community Sports Club

NOW OPEN

On the old Pen Park School site a new Community Sports Club has been built for the people of Southmead. You will find the club if you use the main entrance to the Pen Park site and turn first right into the new car park. The clubhouse entrance is around the front facing out to the sports ground. Please come down to view our facilities. Families are welcome until 8.30pm.

We are open 7 days a week from 1100am until 1100pm. The clubhouse offers a great range of drinks at affordable prices:

Carting & Fosters £2.00 per pint

Blackthorn £2.10 per pint

Natch £1.50 per can

Also Thatcher's £1.50, Guinness £2.25, John Smiths £1.90,

Kronenbourg £2.20 and Courage Best £1.80.

Plus we have a great selection of wines & spirits, soft drinks and bar snacks.

Live sport is shown throughout the week on the big screen. We have a ladies darts team playing their home matches on a Thursday evening. Every weekend there is always a local football match being played as several Southmead sides are to play at Pen Park including Southmead Athletic, Bristol North West, Treble Chance and Fosters FC.

Please come over to the club, have a drink and sample the friendly atmosphere. Hopefully you will have enjoyed your visit. Social Membership is then available to everyone who wishes to join, at just £5 per person for a year.
